Tomorrow is the day of the exam. We aren’t prepared to take it yet, and we need all the time we can get to study for it. We had better get started studying right away.
By an argument, we mean a system of declarative sentences (of a single language), one of which is designated as the conclusion and the others as premises.

Socrates said that the unexamined life is not worth living. But I say that the unlived life is not worth examining!

The young man is psychotic, with schizoid tendencies, and he has a psychological bent for physical violence. Clearly, he needs to be held for observation.

The reason that Myrtle has three mothers is that her natural parents were divorced and her father remarried. That's two mothers. Then her father had a sex-change operation—brining the total up to three.

Contrary to popular thought, the Earth is not moving. If the Earth were moving, then whenever you tossed something directly above your head, it would land some distance away from you. But that isn't what happens. Try it.

How could you leave me for Mervin? He's not half the man I am. He's soft and flabby, and all he likes to do is read books. Furthermore, he's socially awkward. He can't carry on a decent conversation, nor can he be comfortable in the presence of anyone other than his mother.

Since Socrates is a man and all men are mortal, it follows that Socrates is a featherless biped.

I am very much annoyed to find that you have branded my son as illiterate. This is a dirty lie since I was married a week before he was born.

Government should not be in the morality-for-adults business. We should preach morality, we should teach morality, but we should not legislate morality.

I conclude that it isn't a sidewinder. It has no rattle. I also conclude that it isn't Spike. It didn't come when I called to it.

The Roman Empire would have bitten the dust even if Christianity hadn't come along. After all, it had a succession of weak and ineffective emperors. It conquered vast land areas that went far beyond what it was able to rule for any sustained period. And its aristocratic ruling class became increasingly committed to a sybaritic life that was totally indifferent to civic matters. These three factors in combination would have sufficed to make any empire collapse.
If they can't win on the road, then they aren't a great team. But since the Celtics are winning on the road, the Celtics are a great team.

Either you will become a success or you will fail. If you fail no one will remember you. Since you won't become a success, it follows that no one will remember you.

If Goldfinger invests after hearing rumors, he isn't a good investor. But Mr. Goldfinger doesn't invest after hearing rumors. So, you see, he's a good investor.

If Mussolini's armies had readily won the Greek invasion, then Hitler would not have diverted his divisions to help him. And if Hitler hadn't diverted those divisions, then Hitler would have won his own invasion of Russia. But if Hitler had won the invasion of Russia, the Axis Powers would have won the war. Hence, it's obvious that if Mussolini had readily won the Greek invasion, the Axis Powers would have won the war.

If the early colonists were happy with things in the Old World then they would not have left it for the hardships of the New World. They obviously left the Old World to hazard the hardships of the New World. So, it's clear that they were not content with things in the Old World.

If Harry was killed in the parlor, then Martha had to be the killer. But if Harry was killed in the garden, then Linda had to be the killer. Now we know that either Martha was the killer or Linda was. Therefore, Harry was killed either in the parlor or in the garden.

If Holmes discovers the plot, then if he values his life, he will leave the country. Since he values his life, it follows that if he discovers the plot, he will leave the country.

If Laura gets married, then either Kim is the maid of honor or Donna is the maid of honor. If Kim is the maid of honor and Donna is the maid of honor, then there will be a quarrel at the wedding. Therefore, if Laura gets married, there will be a quarrel at the wedding.

If you don't believe that the Bible is true, then you are doomed. If you do believe that the Bible is true, but have not accepted its truth, then you are doomed. Hence, if you have not accepted the truth of the Bible, you are doomed.

The Rams will not get into the playoffs unless the Saints lose to the Packers and the 49ers beat Atlanta. But the 49ers will beat Atlanta only if Young is able to play. Thus, Young's playing against Atlanta is a necessary condition for the Rams getting into the playoffs.

If Kelly manages to borrow a car, then if she takes the freeway, she will arrive before the deadline. Kelly will definitely arrive before the deadline. Therefore, if Kelly manages to borrow a car, then she will take the freeway.

If Jones backs the incumbent, then Wilson will jump on the bandwagon. And if Wilson does that, then Sinatra will leave the party. But if Sinatra leaves the party, then Jones will not back the incumbent. So, it clearly follows that Jones will not back the incumbent. Doesn't it?
Since most men have two kidneys, and Geronimo was a man, it is highly unlikely that Geronimo had one kidney.

Ants have no nerves. Hence, they feel no pain. It is acceptable to exterminate those things that feel no pain. Thus, it is acceptable to exterminate ants. Therefore, you should feel no qualms about executing Herman.

We know that the patient had experienced nausea, vomiting and loss of hair for three weeks prior to hospitalization. There are open lesions on parts of his body. We also know that he has been working at a nuclear reactor for the past year. This evidence points to the conclusion that he is suffering from radiation poisoning. Of course, we still have to run more tests.

In the past, the U.S. government has negotiated with the Indians. But whenever there has been a treaty between the United States and the Indians, the United States has violated it. So, we can expect that they will violate any treaty that comes from the current proposals of the U.S. Department of Interior. It follows, therefore, that we must not agree to their current proposed treaty to ensure environment protection and 50% of profits for the tribes if we allow logging on our reservation lands.

There are only three possible places where the notorious Blackbeard could have hidden the treasure—Jamaica, Bermuda or Haiti. We know that he would have had a difficult time getting to Haiti given the weather conditions of his first voyage. The very hostile natives inhabiting Jamaica at that time would have made it nearly impossible for Blackbeard to bury the treasure there safely. So, it's likely that the treasure is buried somewhere in Bermuda.
There are ten blue marbles and six red marbles in that basket. Therefore, there are five blue marbles in that basket.
